A Woman's Back

Has many aches and pains caused by weakness and falling, or other displacement, of the pelvic organs. Other symptoms of female weakness are frequent headache, dizziness, imaginary specks or dark spots floating before the eyes, gnawing sensation in stomach, dragging or bearing down in lower abdominal or pelvic region, disagreeable drains from pelvic organs, fainting spells with general weakness. If any considerable number of the above symptoms are present there is no remedy that will give quicker relief or a more permanent cure than Dr. Pierce's Favorite Prescription. It has a record of over forty years of cures. It is the most potent invigorating tonic and strengthening medicine known to medical science. It is made of the glyceric extracts of native medicinal roots found in our forests and contains not a drop of alcohol or harmful or habit-forming drugs. Its ingredients are all printed on the bottle wrapper and attested under oath as correct.

Every ingredient entering into "Favorite Prescription" has the written endorsement of all the several schools of practice—more valuable than any amount of non-professional testimonials—though the latter are not lacking, having been contributed voluntarily by grateful patients in numbers to exceed the endorsements given to any other medicine extant for the cure of woman's ills.

You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy or known composition, even though the dealer may make a little more profit thereby. Your interest in regaining health is paramount to any selfish interest of his and it is an insult to your intelligence for him to try to palm off upon you a substitute. You know what you want and it is his business to supply the article called for.

Dr. Pierce's Pleasant Pellets are the original "Little Liver Pills" first put up by Dr. J. C. Pierce over forty years ago, much imitated but never equalled. Little sugar-coated granules—easy to take as candy.

RIOTOUS STUDENTS.

One of the most disgraceful student riots that ever occurred in Ann Arbor, Mich., happened last night.

As a result, the Star Theater, a nickelodeon, is a wreck, and the windows of the upper story are smashed; the window in the Hoppe saloon, next door, is broken; thirteen students are in jail.

President Angell, Dean Hutchins, Mayor Henderson, the city police force, and the city fire department, were unable to subdue the mob of 2,000 students. Some of the police were seriously injured.

The trouble started Saturday night when a student went to the amusement hall for the purpose of giving vent to college yells. He was ejected from the theater. House Policeman Schlimmer clubbed him when out on the walk.

The students commenced throwing eggs. The police tried to disperse the crowd. Yells of derision only brought more students to the scene.

Rocks flew thick and fast. The electric sign in front of the place was the bull's eye. Some missiles went astray and knocked out windows above and adjoining the place.

The police kept gathering in students one by one. This did not lessen the riot. Mayor Henderson was telephoned. He asked the fire department to turn out and throw water to scatter the mob.

The department, with much reluctance, made a run to the scene, and stretched a line of hose. The students uncoiled the hose and a gang of twenty boys ran away with 100 feet of the hose.

Then President Angell and Dean Hutchins were sent for to quell disturbance.

Mayor Henderson even called for the militia. As they are under National Guard regulations, the company could do no more.

It was the warning of university, city, and county officials did not put a damper on the excitement. About ten o'clock the students made a rush and smashed the front of the theater in. They wrecked chairs and rolled the piano out into the street and danced on it.

Cause of Stomach Troubles.

When a man has trouble with his stomach you may know that he is eating more than he should or of some article of food or drink not suited to his age or occupation, or that his bowels are habitually constipated. Take Chamberlain's Stomach and Liver Tablets to regulate the bowels and improve the digestion and see if the trouble does not disappear. Ask for a free sample. Sold by W. F. Creighton and Richard Gibson.

CANONIZING OF JOAN OF ARC.

The vast Hall of Beatifications over the porch of the Church of St. Peter, in Rome, and communicating directly with the papal apartments, has been decorated and made ready for several ceremonies of great splendor which are to take place this year in honor of the fiftieth anniversary of the ordination of Pope Pius X.

In this beautiful hall there will be this year some big functions. One will be the canonization of Joan of Arc, the Maid of Orleans. After discussion pending nearly 50 years Pius X. has decided the ceremony shall be performed in his jubilee year, and preparations are being made in France to attend it. It is believed more than 5,000 French Catholics will visit Rome on the occasion and that nearly all the bishops of France will be present and surround the papal throne.

The Pope will make a speech detailing not only his admiration for the French heroine, but also his love for France, which caused him to add a new saint to the country's calendar.

The beatification of the venerable Mother Beat, foundress of the order of the Sacred Heart, is to take place May 3, and for the occasion many members of this order will come from all over the world, especially from the United States, where the order has a strong footing.

Information has reached Rome that in addition to the big American pilgrimages which is to arrive there shortly before Easter Sunday, nearly all the American prelates contemplate paying a visit to the Pope during his sacerdotal jubilee.
